GATHERING THE FLOWERS

- LINDSEY WISE

Gathering the flowers
Flowers from the forest
Forest full of medicine
To help us with our healing
Healing of our bodies
Body, mind, and spirit
Spirit of the water
Come wash over my heart
My heart is growing open
It's opening each moment
Each moment is a miracle
That's calling us to gather

Gathering the flowers
Flowers from the forest
Forest full of medicine
To help us with our healing
Healing of our bodies
Body, mind, and spirit
Spirit of the Water
Come wash away my tears
Tears of joy I'm crying
Crying for my people
People we are ready
Ready to be free
Free to be beautiful
Beautiful empowered
empowering each other
to come together gather
